AFTER HOURS ACCESS STANDARDS

- The provider is required to provide access or personal instruction to members 24 hours a day, seven days per week
- This coverage includes instructions to call another number that connects to a person or an office outgoing message that can be returned within one hour
- Out of office messages directing the member to call 911 or to go to the closest emergency room or urgent care center for services alone is unacceptable instruction
- All office calls should be answered and must provide instruction per the above requirements
