

# Submitting a Treatment Update Search

The iExchange web tool supports direct submissions and provides online approval of benefit for preauthorization requests. Listed below are the steps for submitting a treatment update search to Blue Cross and Blue Shield of Oklahoma (BCBSOK). A treatment update be performed to check the status of requests that have pended for review. iExchange is available 24 hours a day, 7 days a week -- with the exception of every third Sunday of the month when the system will be unavailable from 11 a.m. to 3 p.m. CT. **If you are an Out-of-area provider, please go to step 2. For assistance with iExchange access, please reference the Pre-service Review tip sheet when servicing a local and out-of-are member.**

## Direct Access (Available to Oklahoma contracted providers only)

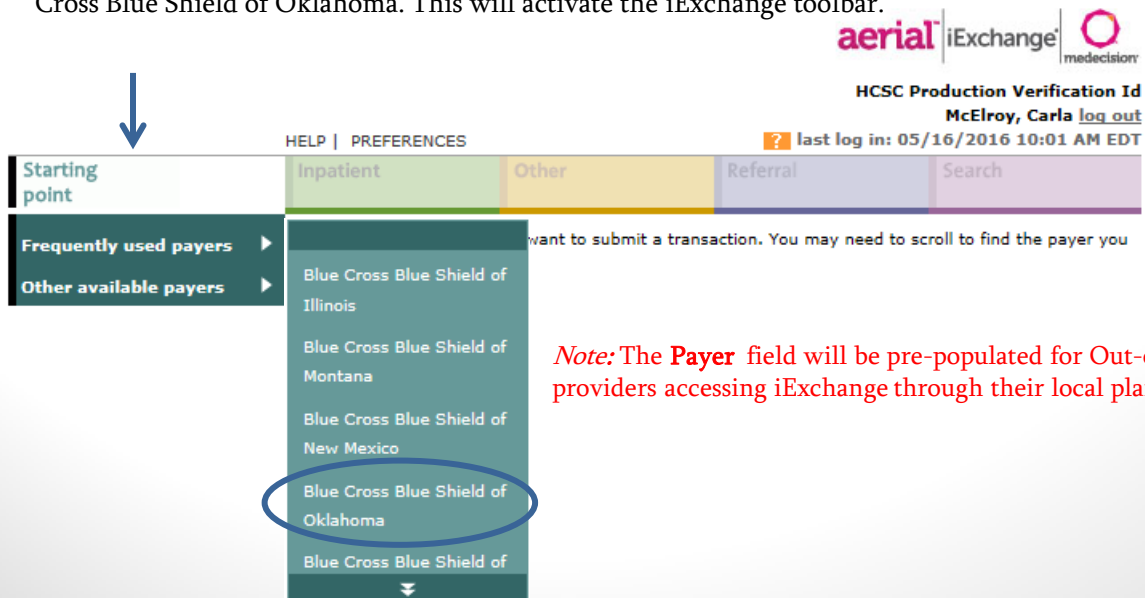

- **User ID** - Each user will be assigned a unique User ID by their organization's iExchange Administrator.
- **iExchange ID** - A unique number BCBSOK assigns to provider organizations registered with iExchange.
- **Password** – New users are supplied a temporary password by their iExchange Administrator.

\* For Single Sign on (SSO) access for local contracted providers, please reference the tip sheet Pre-service Review for an out-of-area member.

## Submitting a Treatment Update Search

1. After logging into iExchange, users can access **Frequently used payers** from the **Starting point** menu. From the payer list, users can select Blue Cross Blue Shield of Oklahoma. This will activate the iExchange toolbar.

**Starting point**

**Frequently used payers**

**Other available payers**

- Blue Cross Blue Shield of Illinois
- Blue Cross Blue Shield of Montana
- Blue Cross Blue Shield of New Mexico
- Blue Cross Blue Shield of Oklahoma**

➔

**Search instructions**  
 Use this page to perform various searches. Treatment search allows you to view existing inpatient, other and referral requests. Provider search allows you to view detailed information about a provider. Member search allows you to view detailed information about a member. Treatment update search allows you to view treatment updates for providers in your group.

▶ **Treatment search**  
 Click the **Treatment search** link, above. The Treatment search entry page appears. You can search by member ID, treatment range, request ID or, depending on the selected payer, by clinical review for treatment information.

▶ **Provider search**  
 Click the **Provider search** link, above. The Provider search entry page appears. You can search by provider ID or provider name for provider information.

▶ **Member search**  
 Click the **Member search** link, above. The Member search entry page appears. You can search by member ID or, depending on the payer you selected, by last name/date of birth to view detailed member information. If member search by Last name/Date of birth does not identify any members meeting the search criteria, depending on the payer you selected you may be prompted to add a new member.

➔ ▶ **Treatment update search**  
 Click the **Treatment update search** link, above. The Treatment update search entry page appears. You can search for treatment updates by member ID, date range, and update type.

3. Select an update option from the **Search for** field.

**Treatment update search**  
 Use this page to search for treatment updates. Treatment updates inform you when the payer or a provider has updated an existing or added a new treatment request associated with an authorized provider in your group. This may include updates for submitting providers, servicing providers, facility providers, and/or the member's PCP.

Search for

- Updates for submitting providers
- Updates for facilities and servicing providers
- Updates for Primary Care Physician

Member ID  
optional

**Tip: Updates for submitting providers and Updates for facilities and servicing providers are the recommended Search for options.**

- Select an Authorized provider, Date range and Treatment update type. Then click the **Submit search** button.

**Authorized provider(s)**  
Select one, multiple, or all authorized providers in the list. The providers in the list are providers in your group who have been approved by the payer you have selected for use in treatment search.

**Date range**  
Specify the date range for your treatment update search.

**Treatment update type**  
Specify the type of treatment updates you want to search for.

**Show only unread treatment updates**

**Submit search** **Clear form**
